H(enry) Rodgin "Rodge" Cohen

H. Rodgin Cohen – Sullivan & Cromwell | H. Rodgin Cohen – Wikipedia – "One of the biggest players on Wall Street". | http://abovethelaw.com/h-rodgin-cohen/ | H. Rodgin Cohen – Trauma Surgeon of Wall Street – NYTimes.com – H. Rodgin Cohen, who played one of the biggest civilian roles in the financial bailout, and earned millions. …the man who, aside from government officials like Henry M. Paulson Jr., Ben S. Bernanke and Timothy F. Geithner, played perhaps the largest role of all in the gruesome doings of the Wall Street bailout last year. All told, from March 2008, when Bear Stearns was purchased for a song by JPMorgan Chase (both Sullivan & Cromwell clients), to mid-September, when A.I.G. (another client) was handed several billion by the government, Mr. Cohen, 65, took part in a breathtaking 17 financial deals, often hurrying among negotiations like a surgeon running between O.R.'s. …Cohen's influence over Wall Street is both legendary and pervasive, reaching back to the 1980s, when he helped to consolidate the industry, and then to the 1990s, to shape the regulatory scheme that permitted last year's unprecedented outlay of federal dollars. And some of the deals that he advised on, like Wachovia's purchase of the mortgage lender Golden West, turned very sour and may have helped contribute to the meltdown. …Cohen is perhaps unique among lawyers of his stature in having what a New York investment banker, Gary W. Parr, called "trusted relationships with people in government." Those relationships are, in fact, so strong that the former Treasury official in charge of financial institutions during the bailout often called Mr. Cohen to ask, "So O.K., Rodge, how do we make this work?" …[In 2009] Cohen was under consideration for the No. 2 spot at Treasury, then suddenly — and somewhat clumsily — withdrew his name. He refused to discuss the matter (the only subject he declined to entertain other than his children), but two former government officials suggested that his deep ties to Wall Street created an uncomfortable air at a time when, among other things, the scandal over bonuses at A.I.G.had just erupted. …Cohen is a Democrat — he has, over a decade, given tens of thousands of dollars to Charles E. Schumer, Hillary Rodham Clinton and Harry Reid, as well as Republicans like Elizabeth Dole and Alfonse M. D'Amato. … | Wife of 40 years: Barbara.

Andrew P. Goldfarb
Age in 2011: 40. Globespan Capital Partners. "Japanese expat funded Argon (acquired by Siemens) and Ocular Networks (acquired by Tellabs) from his firm's Boston office." | Executive Managing Director and Co-Founder, Globespan Capital Partners. Goldfarb is an Executive Managing Director and Co-Founder of Globespan Capital Partners. He is based in the firm's Boston office. Goldfarb sources new investment opportunities, evaluates and negotiates investments, and serves on the Boards of portfolio companies. He brings thoughtful creativity, a global perspective, and deal experience to help the firm's entrepreneurs build successful companies. Goldfarb also helps in building productive relationships with the firm's entrepreneurs. Prior to this, he was a Senior Managing Director at JAFCO Ventures, where he established the Boston office in 1997. He built JAFCO's presence on the east coast and along with Barry Schiffman, led the seamless transition and spinout of Globespan Capital from JAFCO Ventures in 2003. Prior to that, Goldfarb founded and directed TN Ventures, where he negotiated its investment in Infoseek, Interzine, Tickle, and International Data Response Corporation. He also negotiated the firm's investment in the consolidation of ProMark Teleservices and S&P data to form International Data Response Corporation. Goldfarb was also the Vice President at Trans National Group from August 1996 to March 1997. He was integral in the sale of TNFS to MBNA. Previously, Goldfarb managed new business development activities and served on the Executive Committee for TN. Earlier in his career, he worked in the Corporate Development Department at Kikkoman Corporation's Tokyo headquarters for four years, where he was primarily responsible for identifying new business opportunities in the Japanese market and was involved in the expansion and development of Kikkoman's health club business. Goldfarb has also worked at Booz-Allen & Hamilton in the Marketing Intensive Group and at OPTA Food Ingredients. He got his first taste of entrepreneurship and venture capital while at Phillips Exeter Academy. Mr. Goldfarb started a Cookie of the Week business and baked over 1,000 cookies weekly. He serves on the boards of Open Mile, Overture Networks, Inc., and PerkStreet Financial, Inc. Goldfarb serves on the Boards of Silicon Dimensions, Inc. Mr. Goldfarb previously led or served on the board for the team's investments in Akorri (acquired by NetApp), Aptis Communications (acquired by Nortel Networks), Argon (acquired by Siemens), Cerulean Technology (acquired by Aether), Covergence, Inc., edocs, Inc.(acquired by Siebel), Idiom Technologies, SDL Enterprise Technologies Inc., m-Qube, Inc., Vettro Corp., Crescent Networks, Net Perceptions (NASDAQ:NETP), Hatteras Networks, Inc., Ocular Networks (acquired by Tellabs), Pirus Networks (acquired by Sun Microsystems), Quattro Wireless, Inc., ShoreTel (NASDAQ:SHOR), and Vericept Corporation (acquired by Trustwave). He served as Director of Virtusa Corp. since 2001. He served as a Director of Silknet Software Inc. since February 1999 and was a Member of its Audit Committee. Goldfarb also served as a Director of Trans National Ventures from September 1994 to July 1996. He also served on the Boards of NewMarkets International, LLC, Idiom Technologies, Inc., and Incipient, Inc. Goldfarb also led or served on the Board for the investments in m-Qube. *He is a National Commissioner for the Anti-Defamation league*. Mr. Goldfarb also serves on the Board of Trustees of the Institute of Contemporary Art, Harvard Business School's Arthur Rock Center for Entrepreneurship, as well as on the Fundraising and Admissions Committees of Harvard College. Most recently, he was named on the Forbes Midas List of Top Technology Deal Makers in 2006 and 2007 (with a ranking of 60 in 2007) and Boston Business Journal's 40 under 40 List in 2007. He was also recognized on the 2009 AlwaysOn Top 100 Venture Capitalist list and the 2010 AlwaysOn Top 50 Venture Capitalist East list.
